BOLD LINES, BOLDER MOVES

Set the scene, steal the show.

The OMODA C5 is here to reflect your ambition. Designed with bold lines and sleek contours, setting the trend for a new era of crossovers. Designed to turn heads, it brings together bold, expressive styling with sleek, modern lines – crafted for those who don't follow the road but define it. Developed under the Art in Motion concept, it's where creativity meets progress, blending dynamic design with effortless style and innovation.

ALL EYES ON YOU

A statement on every street.

Crafted for those who are always on the move, the OMODA C5 amplifies your distinct style in every moment.

The OMODA C5 embodies a fresh era of design, where modernity meets sportiness. Its iconic star diamond grille and dynamic fastback bodywork make a statement, while the 17" aluminium wheels and floating roof add an air of sophistication. The T-shaped daytime running lights complete the look, ensuring you stand out in every setting.

MAKE EVERY MOMENT YOURS

Road envy, every time you pull up!

Step into the spotlight with the OMODA C5! This crossover isn't just about reaching your destination; it's about stealing the show from the moment you step in!

1 – They see you rollin'

These eye-catching 17-Inch Aluminium Alloy Wheels are designed to make a statement. Get ready to take on the city with style and confidence as you navigate every twist and turn.

2 – Lights that hit the high notes

The C5's bold Piano-Style tail lights are more than just functional – they're a statement. Illuminate your path and let everyone know you've arrived.

3 – Always showing off

The stylish Front Grille adds a striking flair, turning heads wherever you go.

4 – Effortless access, anytime

With a Keyless Start opening your next adventure is a breeze, letting you focus on what matters – your journey.

DYNAMIC DRIVE, EFFORTLESS EFFICIENCY

Performance, precision and
smoothness in every move.

The OMODA C5 is designed to deliver a dynamic driving experience that's as smooth as it is responsive. Powered by a 1.5 TCI Petrol Engine and an Automatic CVT Transmission, it offers the perfect balance of performance and efficiency.
