

JAECCO J7

Crafted For Adventure

The Next SUV Frontier

Enter the world of the JAECOO J7, an SUV designed to enhance every adventure. Pushing the limits of premium craftsmanship, blending sophisticated innovation with a spirit of exploration resulting in breathtaking modernity. The J7 is an invitation to experience a new standard of luxury driving – refined, yet ready for the road less travelled.

Crafted to Perfection

The JAECOO J7 draws you in with its bold, sculpted silhouette, creating effortless elegance. Its fluid, aerodynamic lines and precision-engineered proportions reflect exceptional craftsmanship.

Interior

Inspired Technology | Exceptional Comfort

With comfort like no other and luxury that feels flawless.

Contemporary Comfort

Experience comfort in every season, from heating & ventilation in the front seats to a heated steering wheel for enjoyable drives, along with the leather seating to the rear-centre armrest and 1 335 L of luggage capacity for that extra space.

Effortless Access

The JAECOO J7 combines sophistication and practicality with its 360° HD panoramic camera, offering seamless navigation and a refined driving experience. The J7's reductive design encompasses convenience with its Wireless Charging capability and Android Auto™ and Apple CarPlay® integration. Enjoy a polished interior while staying fully charged and connected.

Complete Protection

The JAECCO J7 is packed with advanced safety features, including Dual Front Airbags, Side Airbags, Driver's Knee Airbags, Side Curtain Airbags, and an Intelligent Active Speed limit.

These features work together to provide maximum protection for you and your passengers, ensuring a safe and comfortable ride.

Exterior

New Standards | Reimagining the Style

Artistic Form and Advanced Functionality

Every Detail Matters

The J7's athletic design is emphasised by the striking 19" Alloy Wheels with sleek two-tone spokes and bold red brake callipers, radiating style and performance from every angle.

The JAECOO J7 features an integrated brake light with Retractable Door Handles, enhancing the aesthetics and practicality.

On a perfect day, nothing beats opening a window to the sky and letting the light in as you drive. The Panoramic Sunroof fills the cabin with natural light, bringing you closer to the world around you.
